From Staten Island / New Jersey (Via Verrazano Bridge)

- Cross the Verrazano Bridge and bear to the Right – Follow Signs for Belt Parkway EAST towards Kennedy Airport
- Roadway splits approximately 5 miles past Kennedy Airport; take RIGHT exit for Cross Island Parkway towards the Whitestone Bridge
- Take Cross Island Parkway To The Long Island Expressway EAST
- See Common Directions Below

From New York City (Via Midtown Tunnel)

- Exit Midtown Tunnel and Follow Signs For Long Island Expressway EAST
- See Common Directions Below

Common Directions

- Take the Long Island Expressway To Exit 51 – Route 231. Right Exit off the LIE; you merge onto the Service Road. Stay in the left lane of the Service Road. Turn Left (heading NORTH) at the light. You are on RT 231.
- You will reach a fork in the road in approximately 2 miles. Stay to the right. After about 1 mile, you will merge into a wider road. This is Jericho Turnpike, and you will be (by default) heading EAST.
- Stay on Jericho Turnpike through approximately 8 lights; you will pass a McDonald's on your left; a SEARS mall on your right; and finally a large plaza on your right with a Pathmark store as its anchor.
- IMMEDIATELY after the Pathmark store you will turn right into the entrance of 6080 Jericho Turnpike. It is a 3 story green building; nearly impossible to miss.
- Innovative Applied Sciences is located on the 2nd floor; suite 211.
